

## Testimonial for Jacques Pretorius Jp Air Conditioning

28th January 2015

Jacques and his team came to service my Air Conditioning for the first time this month as I signed up for their annual maintenance package after experiencing their fantastic and professional service with the installation of the New system last year.

JP Aircon works methodically and discreetly without disturbing the running of my business which is vital.

I have recommended Jacques to other clients and the feedback has been excellent so I will continue to recommend JP Aircon wherever possible.
