INVENTORY SERVICE

## Testimonial

18<sup>th</sup> June 2014

I am a member of BNI St Paul's and recently attended Bromley Chapter as a sub when Jacques from JP Air conditioning gave a ten minute presentation of his company and service. I was so impressed that I asked him to come to our office to provide a quote which I subsequently accepted and he came a couple of weeks later to install it.

Jacques and his colleague were very professional, polite, tidy and worked really hard to install the three internal units and huge external controller in just two days.

The system is amazing and has provided a comfortable working environment especially during the past few hot days.

We have no hesitation in recommending him to any prospective clients and would be happy to let them view the system Jacques fitted for us.
